6. عدد الساعات الدراسية (الكلي)	15
7. تاريخ إعداد هذا الوصف	2024/1/25
8. أهداف المقرر:	A- Expanding the linguistic base for students to understand the basics of the English language and practice it. B - Shedding light on the culture of the main English-speaking peoples due to the importance of this topic in the flow of conversation in the English language. C- Learn about some modern methods that have a close relationship with teaching the English language to non-native speakers.

10. مخرجات المقرر وطرائق التعليم والتعلم والتقييم

ا. الاهداف المعرفية

The English language as an international language helps in studying various sciences, so the skill of pronunciation and understanding English helps to obtain information from its real sources without the need for using translation whether electronic or by getting help from the translators which may cause a defect in the precise meaning of the required information.

ب. الاهداف المهاراتية الخاصة بالمقرر

Providing students with the skill of exchanging conversations in another international language that makes it easier for them to communicate with the outside world.

طرائق التعليم والتعلم

1. Giving lectures, solving exercises, and clarifying the grammar of the language and some important meanings on the blackboard.
2. Using modern technologies and electronic presentation methods, such as video presentation and audio media, to listen to speakers of the language, while asking students repeatedly to pronounce what they heard, in addition to the skill of reading and writing.
3. Focus on students' participation in the lecture by presenting questions, specific ideas and situations, paintings or photographs, and theatrical situations such as mime, so that they can be described and talked about in English by the students.
4. Adopting the homework method for students to solve exercises while evaluating their solutions in the classroom.

طرائق التقييم

- Periodic tests: 15%
- Practical tests 30%
- Oral questions, class participation: 5%
- Final exam: 50%

ج- الأهداف الوجدانية والقيمية

- 1- Enhancing the ability to speak and dialogue in English.
- 2- Consolidating the spirit of joint academic work and enhancing students' confidence in their abilities by involving them in the proposed positions and ideas presented by the subject professor.
- 3- Be precise when saying and pronouncing English vocabulary correctly for the purpose of achieving the maximum benefit from teaching the English language to Iraqi university students.

طرائق التعليم والتعلم

1. Adopting the interactive method in presenting the study material.
2. Involving students in devising scientific ideas and instilling in them the spirit of competition and creativity.
3. Use more than one method and present more than one method of conversation in English in funny and enjoyable ways.

1. Testing students directly and orally.
2. Daily written tests.
3. Practical test
4. Scheduled tests.

د - المهارات العامة والتأهيلية المنقولة (المهارات الأخرى المتعلقة بقابلية التوظيف والتطور الشخصي).

1. Enabling the student to use various meanings and vocabulary to reach the best and most accurate results.
2. The ability to employ the linguistic information that has been studied and transform it into an applied, daily dialogic reality within the classroom.
3. Using the four language learning skills (listening, pronunciation, reading, writing)
4. Enhancing confidence in one's own abilities to address reluctance resulting from the use of a language other than the mother tongue.
