Birth day 1 \ 7 \ 1954, Diyala \ Iraq

Professional summary:

Professor. PHD in basic medical science\ Human Anatomy and Histology \ College of Medicine University of Diyala \ Iraq

Previous Administrative Assignment:

- Deputy of the head of department of anatomy and histology / Faculty of Medicine / Tikrit University
- Second Grade Official / Faculty of Medicine / Tikrit University
- Official of the Experimental Research Unit / Faculty of Medicine / Tikrit University
- Medical Imaging Unit Officer / Faculty of Medicine / Tikrit University
- Medical Education Unit Official / Faculty of Medicine / Diyala University
- Head of department of anatomy / Faculty of Medicine / Diyala University
- Assistant Dean/Faculty of Medicine / Diyala University
- Dean of the Faculty of Veterinary Medicine University of Diyala 1/7/ 2018
- Dean of the Faculty of Medicine of Diyala University 28/ 2/ 2011 Vice
- Deputy of the head of the National Council for Accreditation of Medical Schools of Iraq
- Member of the Committee for the Preparation of Institutional Standards in the Ministry of Higher Education
- Member of the Committee for the Preparation of Standards of the Ministerial Good Medical Laboratory

Present administrative assignment: Member of the National Accreditation Committee of Iraqi Medical Colleges (NCAMC)

Sequence of scientific title:

- Researcher Assistant / 13/9/1992 / Faculty of Medicine / Tikrit University
- Assistant lecturer 5/ 4 / 1996 / Faculty of Medicine / Tikrit University
- lecturer 4/10/ 1999 // Faculty of Medicine / Tikrit University
- Assistant Professor / 1/10 / 2002 Faculty of Medicine / Tikrit University
- Full Professor 28/ 9/ 2011 Diyala University College \ of Medicine

**Title of master's thesis:**

Age related changes of the immune system and effect of aspirin on immunosenscence: Supervisor: Prof. Dr. Najat Mohammed Ali / Anatomy Branch / Faculty of Medicine Tikrit University

**Title of doctoral thesis:**

A trial to improve regeneration of the peripheral nerves in experimentally induced diabetes . Supervisory Committee: Prof. Dr. Ayad Hamid Ibrahim // Faculty of Medicine / University of Khartoum / Sudan., Prof. Dr. Ghanim Younis Mustafa Al\_Sheikh / WHO / Cairo / Egypt. Prof. Dr. Abdul Ghani Mohammed Ali Al-Samarrai / Dean of Tikrit Medical College / Iraq

Supervising graduate students

1- Master's thesis: (Anatomical and histological study and age-related changes of the sub-maxillary salivary gland in man ((for student Ali Ghanem/ Bachelor of Dentistry/Faculty of Medicine Tikrit University)

2- Master's thesis: (Anatomical and histological study of placenta resulting from toxoplasma infection ((for student Hala Yassin/ Bachelor of Biological Sciences /Faculty of Science University of Diyala)

3- Doctoral thesis (anatomical study and ultrasound of the renal pelvis and its relationship to appendicitis ) the student Suhail Mouloud Al Najjar / Doctor / Diploma of Surgery / Faculty of Medicine / Erbil Medical University

4- Doctoral thesis: (Tissue study of organs and secondary glands in laboratory rats with diabetes try herbal therapy.

5- A thesis of Higher Diploma in Family Medicine: (Epidemiological Study for Breast Tumor Among Women admitted to Consulting Breast Clinic in Diyala Province) Post Graduate Students . as a requirement for the; Aseel Kanan Ibrahim M.B.CH.B \ Collage of Medicine / University of Diyala

Another 2 more doctorate and 6 more supervision not mentioned now:

Editorial Board Diyala Journal of medicine, Diyala Journal of veterinary science, and

**[Introduce yourself, highlight your best qualifications and explain why you're a fit for the job]**

I have MSc and PHD in Human anatomy and have good experience (32 year as a teaching staff in different governmental and private colleges of medicine) in teaching and in medical education, quality assurance, and accreditation. Moreover have experience and researcher in different medical specialty, lectures in research methodology, and lectures in professional ethics and in the ethics of the teaching profession.

Education

[Title of degree] PHD

[School name] TIKRIT UNIVERSITY

[Title of dissertation or thesis]

A trial to improve regeneration of the peripheral nerves in experimentally induced diabetes. ( a histological study)

Work experience

[Job title] [Dates of employment]

Community service: HEAD OF (VOLUNTARY ASSEMBLY FOR REFORM ) NGO ORGANIZATION.

[Position held or job performed] : DEPUTY OF THE (NATIONAL COUNCIL OF ACCREDITATION OF MEDICAL COLLEGES). 2011
