

Course Description Form

1. Course Name	
Hadith Science	
2. Course Code	
QS-32-04	
3. Semester / Year	
Second Semester / Third Stage / Academic Year 2025–2026	
Date this description was prepared .4	
15/2/2026	
5. Available Forms of Attendance	
Morning-Evening	
Number of Hours (Total) / Number of Credits (Total) .6	
30 / 2	
7. Course administrator name (if more than one name mentioned)	
Name: Mohamed Fadel Khalil Al -Zamili Email: Mfkemy1966@gmail.com	
8. Course Objectives	
1. Introducing students to the concept of hadith science, its origin, development, and importance in Islamic law. 2. Enable students to understand the basic terms of the science of hadith as decided by the scholars of this science, and to distinguish between the sections of hadith in terms of acceptance and response (saheeh, good, weak, and subject). 3. To provide students with the ability to study the isnad and the text and analyze their elements according to the scientific rules adopted by the modernists. 4. Introducing students to the curricula of the great imams of hadith and reliable novel books. 5. Explaining the efforts made in memorizing the Sunnah of the	Course Objectives

Prophet and responding to the doubts raised about it, ancient and modern.					
6. Developing the scientific research skills of students in the field of graduating hadiths and judging them by referring to the original sources.					
7. Promoting the scientific values of honesty, accuracy and objectivity that distinguished the scholars of hadith.					
8. Teaching and Learning Strategies					
1. Enable the student to identify the origin of the science of hadith, its development, and its importance in memorizing the Sunnah of the Prophet and controlling the narration. 2. The student should be familiar with the sections of hadith in terms of acceptance and response, endurance and performance formulas, and the basic terminology of the hadiths. 3. Inform students about the diversity of the methods of the hadiths in classification, graduation, and judgment of hadiths. 4. Introducing students to the most prominent sources of the Sunnah and its approved books, and the efforts of scholars in serving them throughout the ages. 5. Taking an idea about the reality of contemporary hadith studies, scientific efforts in achieving the hadith heritage and responding to the doubts raised about the Prophet's Sunnah					Strategy
7. Course Structure
