Course Description Form

1. Course Name

Contemporary Banking Transactions

2. Course Code

FS-31-CB

3. Semester/Year

First Semester / Third Stage / Academic Year 2026-2027

4. Date this description is prepared

11/ 9/2026

5. Available Forms of Attendance

morning

6. Number of study hours (total) / number of units (total)

30 hours a week

7. Name of the course administrator (if more than one name mentions)

Name: M.M. Mohamed Fadel

8. Course Objectives

9. Teaching and Learning Strategies

• Identifying some of the rulings of contemporary jurisprudence, which had an important place among the ancient jurists, and became urgent to guide it among contemporary jurists. • Presenting examples of issues addressed by contemporary jurists, with an explanation of the methods of deriving rulings therein. • Introducing students to how to study contemporary jurisprudential issues to reach a clear ruling on them. • Explaining how to benefit from this aspect in reaching judgment in a way that expands the scope of people's transactions and removes embarrassment from them.	**Objectives of the course:**
• Enables the student to learn about contemporary financial jurisprudential rulings. • The student should be familiar with contemporary Islamic banking transactions. • Familiarize students with the diversity of Islamic financing formulas in contemporary Islamic and conventional banks. • Introduce students to both Islamic and traditional financial and banking institutions to get an idea of the reality of contemporary financial and banking institutions.	**Strategy**
